Search tips of "Course Reserves and Integrated Curriculum Textbooks"

Way to search course reserves in library webpac:

STEP 1: OLIS homepage \(\text{Library Services} \) -> \(\text{Printed Resources} \) -> \(\text{Library Catalog} \)

STEP 2: \[\text{RearderScope} \] -> \[\text{AcadmicReservedBook[CH]} \]

STEP 3: Library Webpac provide "Title" & "Course Name" search fields to search course reserves. But "Course Name" only accept Chinese, except integrated curriculum textbooks. Using the search term "BLOCK" will show the each block's textbooks of integrated curriculum.
