

# 2017 年 11 月份本校研究人員發表 SCI/SSCI 論文榮譽榜

收錄高醫研究論文發表於 SCI / SSCI 資料庫且期刊影響指數(Impact Factor)>5 或該領域排名前 10%之優良期刊，以激勵學術研究風氣與水準。

| 序號 | 作者/單位                                                                                                                                                                                                                                                                                                                                             | 篇名                                                                                                                           | 出處                                     | IF     | 主題                            | 排名   |
