Micromedex Mobile Apps Access on Apple[®] and Android[®]

- The new **Micromedex** App for Apple and Android devices is included with your respective Merative Micromedex Drug content subscription.
- You can access these apps via the App Store and Google Play[®].
- You can activate the app by following the simple instructions below.

New Mobile App Activation and Instructions:

Step 1: Visit the App Store or Google Play[®] from your device and search Micromedex.

Step 2: From the App Store or Google Play, select download / install the application. You may be prompted to enter your Apple or Google ID.

Step 3: The app will download to your app library, or directly to your device.

Step 4: Open the app. The app will display an activation code. Copy the code by tapping on a copy icon to the right of the code.

To activate the app:

- Tap on "Activate Now" button on your app. Enter login information if required.

OR

- [Follow the link to activate new mobile app](#) via Micromedex online activation page.

Step 5: Enter the provided activation code. Click "Activate Device". Begin using the app.
